Patient Financial Responsibility & Acknowledgement

I hereby acknowledge my understanding and intentions to comply with the following:

1. I authorize treatment of the person named below and understand that I am ultimately responsible for the charges, regardless of available insurance benefits.

2. It is your responsibility to provide Saddleback Valley Surgery Division-SOCSMG with proof of insurance and an authorization number or referral when applicable. If these items are not provided, we ask that you pay in full at the time of service or reschedule your appointment.

3. All insurance co-pays and co-insurance are to be paid at the time of service.

4. Saddleback Valley Surgery Division-SOCSMG will submit to your insurance company for all medical services rendered. We will attempt to verify eligibility and benefits with your insurance company; however, this verification is not a guarantee of payment. Any expenses deemed not covered by your insurance company will be your financial responsibility. Any yearly deductible amount not met will be collected prior to your surgery date.

5. To facilitate understanding of your individual insurance policy, **it is best to learn about your policy prior to using your coverage.** Your insurance card identifies a customer service phone number that can be used to obtain answers about your specific benefits. With most insurance coverage's, the beneficiary will have some financial out-of-pocket payment. Our office staff is available for discussions about fee disclosures for both office and surgical interventions. While the office will obtain an authorization of treatment from your insurance company, this does not guarantee payment for services rendered.

6. I agree that payment will not be delayed or withheld because of any insurance coverage, or the processing of claims. All insurance proceeds will be assigned to this office.

7. If my insurance company denies payment for services, I agree to be fully responsible for payment of said services provided in my care. Denials can affect your procedure costs, the surgeon, and the designated assistant, a Registered Nurse First Assistant/Physician Assistant. Our office can provide a fee schedule for surgical costs associated with your operation.

8. All accounts are to be paid in full within 90 days. If you are financially unable to comply, a written payment plan will be arranged for you. You will be required to make these payments on time per written agreement. In the event of payment default and it becomes necessary to institute collection measures, you will be responsible to pay all collection expenses and attorney fees.

9. Saddleback Valley Surgery Division-SOCSMG is **NOT contracted with Medi-Cal or Cal-Optima Plans** therefore medical services will be the patient's responsibility.
